

Automatic Payment Form

Would you like us to remember your tuition payments so you don't have to worry about late fees? We can do that for you. How? If you pay by credit card or check card your set!

If you have a credit card or check card, that works like a credit card, just fill out the form below. We will automatically charge your account at the beginning of either each session or monthly. We guarantee your privacy and we do not charge any other items on your card that you have not agreed upon. If you wish to discontinue this service, just let us know at the front desk. It's that simple, however, keep in mind that you will be charged a late fee if your credit card is denied or we do not receive payment to us by the 10th of the month. Your account will be charged until the end of the agreement. By signing below you agree to all information stated on this form.
